Fee Details

- **Lower School Tuition Fees (Junior Kindergarten - Grade 8)** cover the student's participation in various basic school programs, including Hudson's Before and After School Program (up until 4:30pm).
- **Upper School Tuition Fees (Grades 9 - 12)** cover the required 110 hours of instruction for each course, up to a maximum of eight courses, as well as the student's participation in some basic school programs, including academic support and enrichment. Additional charges will be levied during the school year with respect to texts, specific field trips, other programs, etc.

International Student Fee Details

- **Activity/Materials Fee** covers the majority of costs of Hudson's co-curricular programs and transportation to such, computer equipment and software programs, phys-ed equipment, and the delivery of certain extra-curricular activities and programs throughout the school year. This Fee does not include admission fees to specific events, field trips or venues or participation in SSAF sports. This Fee does not include Upper School textbooks.
- **Application Fee** is a one-time only, non-refundable fee, required for each applicant at the start of the application process.
- **New Student Enrollment Fee** is a one-time only fee, due for each new student upon submission of the signed Enrollment Agreement.
- **International Health Insurance:** Comprehensive health insurance is mandatory in Ontario and every international student must have this coverage while attending school. Price covers for 12 months.
- **Custodial Requirements:** Hudson College requires each international student who does not live with a parent in Canada to have a custodian (a legal guardian) while attending school. The custodian is essentially a support system who works closely with the school to ensure the overall success of the student, and also provides assistance with emergencies, immigration and travel for the student.

A family may identify their own custodian for their daughter or son or may wish to use a third-party consultant to provide professional guardianship services. Parents can also ask the school to help secure a custodian.

Custodians must be English-speaking, over the age of 21, a Canadian citizen residing within a reasonable distance of the student's intended residence and school and be willing to act in place of a parent in Canada.

- **Family Homestay Program:** For Upper School students who are from other countries and whose parents do not live with them in Toronto, Hudson College offers Family Homestay as a premium accommodation option.

Our host families are Canadian families, including:

- Hudson parents whose daughter or son also attends Hudson College
- Hudson staff members and
- Selected local families residing in the school neighbourhood.

- **Family Homestay Program (cont'd):**

The goal of the Family Homestay Program is to provide international students with a safe and supportive home as well as a full culture and language immersion experience after school. Through such things as dinners at home, trips to local stores, family activities on weekends, or spending time at the cottage, our students experience Canadian customs and values. Hudson parents and staff members also know the culture, values and routines of the school and are a part of the Hudson community every day.

Whether to live with a local host family, with Hudson parents, or with Hudson staff members, students are provided with a private room, three meals every day, high-speed internet connection in the room and complete family immersion. A monthly Homestay report is also sent to the parents.

The Family Homestay Program is managed by Hudson College Student Services. We make every effort to match the most appropriate student to a particular family — creating a comfortable and positive experience for everyone.

- **English as a Second Language (ESL) Students:**

Students whose first language is not English may be required to enroll in our English as a Second Language (ESL) program. Each ESL level provides two to three periods of ESL courses every day, with credits to be granted towards the Ontario Secondary School Diploma (OSSD). ESL courses offered within the regular school year are included in the Tuition Fee. If additional support is necessary an extra fee will be charged.

- All fees listed are in Canadian dollars.
- A 10% discount is offered for each additional student within the same family, which will only be applied towards the Tuition Fee.

Refund Policy

Hudson College reserves the right to provide refunds of Tuition Fees only in cases where the Study Permit is denied by the Canadian Immigration Authorities. In such cases, a full refund of all fees except the application fee will be granted to students.

In the event that false medical information was given and conditions were not disclosed or a student is asked to leave the school due to unacceptable behaviour and/or academic performance there will be no refund given.

The signee will be responsible for the full tuition fees and other fees as space has been reserved for the entire school year once a student has been accepted by the school.
