

International Applications 2019–2020

Thank you for applying to Hudson College! Our admissions process helps student candidates and their parents become familiar with Hudson, our programmes and our educational philosophy. We value diversity and find both our local students and international students are enriched by meeting and learning with each other. Listed below are the four main steps for International Admission:

Step One: Application

International applications can be submitted electronically. Applications are processed on a rolling basis. We will always welcome an application for admission as long as there is space available. Your application package should include the following:

- Application for International Admission with recent student photo attached
- Final report cards from the past 2 academic years; midterm report from the current academic year, if applicable
- Copy of the student's passport (photo page)
- Confidential Student Report (sent directly from the student's current school)
- Upper School Student Essay (Grades 9–12)
- Any educational or medical evaluations/reports, if applicable
- Any other supporting documents, e.g. certificates or awards

Step Two: Skype Interview

Once we have received the completed application with all supporting documents, we will contact you to arrange a Skype interview. We use these interviews to learn more about a student's academic interests, life experiences, strengths and areas of improvement, readiness for studying overseas, and English language skills (Verbal and Comprehension).

This is also an opportunity for the student to ask any questions they might have about Hudson or studying in Canada!

We may request that an additional formal assessment in English and Mathematics be arranged with the student's current school.

Step Three: Results and Next Steps

We will contact you with next steps within 2 weeks of the interview and assessment. If we have extended an offer to join Hudson, we ask that families make an acceptance decision within 2 weeks; this allows us to track the number of spaces available to any waiting families.

Step Four: Study Permit Application and Registration

We issue an official Letter of Acceptance as soon as you have accepted our offer and made the required fee payment. Families should then apply for the student's Study Permit at the nearest Canadian embassy, and book a registration appointment with admissions before the student's arrival. If the student's Study Permit is denied by the Canadian embassy, a full refund of all fees except the application fee will be granted to the student.

Thank you for applying to Hudson College!

Our admissions team will contact you following an initial review of your application. A non-refundable \$250 application fee is due only after review and confirmation by Hudson College. We encourage all families, if possible, to attend an Open House event or arrange for a personal tour before applying.

Activity/Materials Fee	\$600		
Application Fee	\$250		
New Student Enrollment Fee	\$2,000		

Other Fees

International Health Insurance	\$600
Uniform	\$600
Custodial Requirements	Nil to \$1,000+
Airport Pickup Fee	\$100 (if applicable)

Family Homestay for Upper School Students (if applicable)

Family Homestay Registration Fee	\$200
Family Homestay Fee	\$1,100 per month

Fee Details 2019–20

The Lower School (Junior Kindergarten–Grade 8) Tuition Fee covers participation in key school programs including before/after-school care (7:30–8:55 a.m., 3:45–4:30 p.m.). After-school care from 4:30–6:00 p.m. is available to students in Grade 4 and under at an additional cost.

The Upper School (Grades 9–12) Tuition Fee covers the required 110 hours of instruction for each course up to 8 courses, and participation in key school programs, including academic support and enrichment.

A 10% discount is offered for each additional student within the same family, which will only be applied towards the Tuition Fee.

The Activity and Materials Fee covers computer equipment and software, the Upper School Innovation Hub equipment, P.E. equipment and participation in SSAF sports, and the delivery of certain co-curricular activities and programs with some transportation to such throughout the year. This fee does not include the full cost of the Lower School skating program, admission to special events, field trips and venues (including any overnight excursions), or Upper School textbooks. The Activity and Materials fee is due by September 15, 2019.

The Application Fee is a one-time only, non-refundable fee, required for each applicant at the start of the application process.

New Student Enrollment Fee is a one-time only fee, due for each new student upon submission of the signed Enrollment Agreement.

International Health Insurance is mandatory for every international student while attending school. This cost covers 12 months.

Custodial Requirements are required for each international student who does not live with a parent in Canada to have a custodian (a legal guardian) while attending school. The custodian is another support system working closely with the school to ensure the overall success of the student and also provide assistance with emergencies, immigration and travel for the student.

A family may identify their own custodian for their daughter or son or may wish to use a third-party consultant to provide professional guardianship services. Parents can also ask the school to help secure a custodian.

Custodians must be English-speaking, over the age of 21, a Canadian citizen residing within a reasonable distance of the student's intended residence and school and be willing to act in place of a parent in Canada.

Fee Details 2019–20 (continued)

Family Homestay Program

For Upper School students from other countries without parents/guardian living with them in Toronto, Hudson College offers Family Homestay as a premium accommodation option.

Our Canadian host families include:

- Hudson parents with a child attending Hudson College
- Hudson staff members and
- Select local families residing in the school neighbourhood

The goal of the Family Homestay Program is to provide international students with a safe, supportive home as well as a full culture and language immersion experience after school. Through dinners at home, trips to local stores, family activities on weekends, or spending time at the cottage, our students get to experience Canadian customs and values. Hudson parents and staff members also understand our school culture, values and routines.

Students are provided with a private room, three meals every day, high-speed internet connection in the room and complete family immersion. A monthly Homestay report is sent to the parents.

The Family Homestay Program is managed by Hudson College Student Services. We make every effort to match students and families — creating a comfortable and positive experience for everyone.

English as a Second Language (ESL) Students

Students whose first language is not English may be required to enroll in our English as a Second Language (ESL) program. Each ESL level provides 2–3 periods of ESL courses every day, with credits towards the Ontario Secondary School Diploma (OSSD). ESL courses offered within the regular school year are included in the Tuition Fee. If additional support is necessary, an extra fee will be charged.

Refund Policy

Hudson College reserves the right to provide refunds of Tuition Fees only in cases where the Study Permit is denied by the Canadian Immigration Authorities. In such cases, a full refund of all fees except the application fee will be granted to students, upon receiving a copy of the Letter of Rejection from Citizenship and Immigration Canada.

No refund will be given in the event that false medical information was given and conditions were not disclosed, or a student is asked to leave the school due to unacceptable behaviour and/or academic performance.

The signee will be responsible for all fees as space has been reserved for the entire school year once a student has been accepted.

Methods of Payment

Fees are to be made payable to <u>Hudson College</u> in Canadian Currency by one of the following methods:

- Bank Draft
- Money Order
- Certified Cheque
- Wire-transfer
- Credit Card (Visa and MasterCard, subject to a 2% surcharge)

Banking Information for Wire Transfers:
